

Eyota Township Meeting
Meeting Minutes
July 19,2021

Present: D. O'Neill, D. Kullot, B. Halvorson, J. Schumann

Absent: M. Lewis

Guests: John Smith, Barb Smith

Minutes from the June meeting were not read but will be reviewed at the August meeting.

Treasurer's report: Reported as follows:

Revenue:	\$14,919.97
Road & Bridge:	\$45,709.48
FEMA	\$97,562.20
Fire:	\$29,681.65
Savings for new Fire Truck:	\$19,138.40

We are expecting the first half state payments in July.

The Smiths addressed the board to express concern of the condition of the roads. They complained we use #5 rock and the late application of chloride, plus the road was graded after the chloride was applied. Mr. Smith thought we should be getting quotes earlier than April of each year. The board explained we cannot identify which roads need work until the road settle down. This is dependent on the spring weather. Usually, an assessment cannot be determined until mid-May. Once we know what is needed, we contact the various companies. We are then subject to the companies' schedules. Mr. Smith requested we not grade 30th Ave again.

Mr. Halvorson reported the Fire department has applied for a AFG grant. No other Fire Department business.

Mr. O'Neill reported all road work is complete with the exception of cleaning the ditch on 10th ST.

The following bills were approved for payment:

Kwik trip	\$211.96
Bennet's grocery	\$211.71 (Lunch for county meeting)

County Highway \$974.28

Respectfully Submitted
Daniel O'Neill
