

Amended Minutes
Eyota Township Special Meeting
October 4, 2019

Present: B, Halvorson, J. Schumann, D. O'Neill

Guest: J. Schoenfelder

The board met to do visual inspection for requests from landowners to install an additional field driveways on their property.

Item 1: J. Schoenfelder met with the board to look at his request to install a field driveway on the south side of 54th Ave, section 34. He indicated this would alleviate the problem of soil compaction on the headlands. The board discussed his request and informed him any decision would not be made until the next meeting scheduled for October 21, 2019.

Item2: The board looked at a request from B. Gasner to install a field drive on 100th Ave, section 28. The location is on a dead end road south I-90. The board agreed a culvert would not be required. Mr. Gasner also indicated he would remove a field driveway located on Co. Rd 129. Mr. O'Neill informed him he would need to contact the Olmsted County since the township has not authority over that road.

Item 3: The board than looked at the location of Mr. Strain's request to install a field driveway on 90th Ave. between sections 17 & 18 ~~20 & 21~~. This has been a issue of dispute between the two landowners. The road does not run true north and south but rather varies 1st east onto section 18 ~~21~~ land and than west onto section 17 20. The section line has been identified via a survey from G cube survey company. The board agreed where Mr. Strain wants the driveway is acceptable and he can proceed, as approved at the September meeting of the board.

Mr. O'Neill will check with the county property records in an attempt to identify the exact center of the road.

Mr. O'Neill also proposed to closed the road north of the new Strain driveway, provided the parties can come to an agreement that would provide access for Olmsted County Parks Department, the Hiawatha Snow Seekers Snowmobile club and the two landowners. Mr. O'Neill will investigate this possibility.

Respectfully submitted

Daniel E. O'Neill
Eyota Township Board Chair

Minutes approved on October 21st by township board and Amended as indicated above on November 18, 2019 and approved changes by D O'Neill and B Halvorson, Board Members
